Drone Wars 2021

The faceless face of modern warfare; Military artist's flight-of-fancy impression of military drone being developed in Belfast

The growing use of drones on the battlefield and the home-front

● A talk by Chris Cole ●

With a short response from John Maguire

Tuesday 16th March 2021 at 7.30pm

Platform; Zoom – All interested welcome

Book to: innate@ntlworld.com

●**Chris Cole** (left) is a long time peace activist in Britain and the founder and Director of Drone Wars UK https://dronewars.net/ He has written extensively on the subject. He is a frequent speaker on drones, targeted killing and remote warfare. He is convener of the Drones Campaign Network and a trustee of the Trust for Research and Education on Arms Trade (TREAT). He gained a Masters in Theology from Middlesex University in 2000 and lives in Oxford with his wife, Virginia and their children.

● **John Maguire** is a retired academic and a board member of Afri/Action from Ireland; he has written and campaigned on Irish defence policy and neutrality, and against the use of Shannon Airport for the 'War on Terror'.

●There will be discussion following the talk and response.

●The meeting is organised by the new network on the arms trade in Ireland (no formal name yet…) which grew out of an online seminar organised by INNATE; it can be contacted c/o innate@ntlworld.com
